

# Your Kids Can Master Their Money

Money Management Skills  
Tailored For Preschoolers!

Only for children aged 5 & 6 years old

## The Workshop :

**Speaker: Ernest Tan, CFP, Money Coach**

Good money management skills can be developed and instilled in young children especially in their preschool years. This talk will equip parents with practical and tested techniques to nurture financially responsible and socially compassionate children. This highly engaging workshop also provides a safe yet real life experience for the children to practise financial decisions.

Register NOW!

## *The Workshop :*

Be engaged in this hands-on session with your child by registering early for this SURE FULL HOUSE event!

As a parent, you will learn:

- simple, consistent and organized way to manage money
- how to inculcate right values and good money habits to your child
- tested and real life money management techniques
- to be a more effective and competent guardian / advisor to your child's finance

Your child will:

- learn how money can work for them
- learn the difference between 'Needs and Wants'
- get to exercise better financial decisions
- learn compassion

## Speaker's Profile :

**Ernest Tan, CFP, Money Coach**

A Certified Financial Planner for over 15 years of financial experience, Ernest Tan regularly speaks on money and finance issues.

An engaging speaker, he has conducted numerous talks and workshops in school like University, Junior College, Polytechnics and various organisations. He has also taught hundreds of young children on biblical financial planning in Sunday school, including many other family activities organized by churches and Crown Financial Ministries.

Ernest is married with two daughters (in their early twenties) and a teenage son. His own parenting journey has given him deeper insight into the importance of raising financially responsible children and strengthens his ardent belief in inculcating good money management habits since young through hands-on, real life practice.

Ernest believes that parents play a pivotal role in raising a whole child, one who is financially responsible and socially compassionate.
